2. Time to create your own #MyFirstLiberty account! To do this, you can click the button that says **“Sign Up with Facebook,”** OR complete the form that says **“Sign Up with Email.”**

4. Now that your page has been created, you can take even more steps to personalize it—such as adding photos of yourself or editing your welcome letter—if you wish. Click on **“Edit My Page”** to make changes.
5. Under **“Edit My Page,”** you can change the following:
