First Liberty Job Description: Donor Data Analyst/Specialist

Organization

First Liberty Institute is a non-profit public interest law firm and the largest legal organization in the nation dedicated exclusively to defending religious liberty for all Americans. We believe that true religious freedom means recognizing the fundamental right of every individual to follow their conscience and to live according to their beliefs. Founded in 1997 and based in Plano, Texas, our legal team partners with elite volunteer attorneys across the country to secure religious freedom, from local matters to the Supreme Court, at no cost to our clients.
