**Statement from First Liberty Institute Regarding Lawsuit
Against POW/MIA Remembrance Table Display of Bible at New
Hampshire VA Hospital**

Washington, DC—The following statement may be attributed to Mike Berry, Chief of Staff and Director of Military Affairs for First Liberty Institute:

“POW/MIA Remembrance displays have a long, cherished history in our nation. Veterans organizations like the Northeast POW/MIA Network should be able to honor and remember those killed, captured or missing with a display that includes a Bible donated by a WWII veteran that represents the strength through faith necessary for American service members to survive.”

First Liberty recently represented the Northeast POW/MIA Network in successfully ensuring that the POW/MIA Remembrance display it donated would remain intact at the Manchester VA Medical Center.
